

An Invitation to Participate

...in Designing Your Community

Riverside is participating in the 2022 Community Visioning Program. The goal of this project is to develop a landscape plan that will graphically illustrate the vision of Riverside. You are invited to provide input on the creation of design elements.

Please plan to attend on Tuesday, February 15th from 6PM - 7PM at Riverside City Hall (Council Chambers). This is your opportunity to discuss the proposed projects with local committee members, the design team, and Trees Forever staff.
